We apologize for being late again to announce this coming event, with 2 weeks advance.

This time, after all efforts to make it happen as something new in location and in contents, we reached to the decision to make it in a different style as BEGINNERS' SCHOOL, due to Okachan's absence by his annual Okinawa event, as well as limited practice space.

Our rules for this beginners' special school are same for the past ones as follows;

Entry Fee:

Free for Federal tire users, and \$100.00 for non-Federal users.

Maximum Number of Students:

20 drivers with own cars, US driver license, over 18 years old.

Registration Form:

Will be sent by e-mail to whom apply for this event to info@jdmtipon.com.

Roll-in Information:

To be informed to registered students later. Please note that the runway location is a part of active airport, thus in-out from/to the airport gate is strictly controlled in certain time and occasions.
